

Welcome to Coraya Divers!

We offer a large, wide range of diving, where everybody finds something that he/she especially likes.

Our **houkereef** „Marsa Umm Gerifat,, is well known from beginners to advanced divers. You can jump directly from the jetty or you can use the RIB (inflatable boat) which brings you to the outsides (north or south) of the reef. After the boat drops you, you can do an easy and comfortable one-way dive back to the marina. You have to prove that you have 25 or more logged dives, then you can go on your own daily from 09.00 a.m. until 04.00 p.m. Divers with less than 25 logged dives need to go with one of our instructors/divemasters.

These guided tours on the houkereef are every day at 09.00 a.m. and at 01.30 p.m. Of course we also do **nightdives** and **early mornings**.

For **short trips** we offer tours by **speedboat** three times per day (five times during summer). They start from the marina on the house reef. The speedboat will bring you to dive sites in a max. distance of 20 min. Places on the speedboats are limited to 6/9 persons.

So you will have a nice and private dive.

Our **daily boats** start at 08.00 a.m. and at 08.30 a.m. (some trips at 07.00 a.m.) from our new harbour to the south „Port Galip,, (this is 10 min by bus – we will bring you there).

Our divesites accessed by daily boat are in a distance of max. two hours (Elphinstone).

These boats are offering you everything you need to spend a nice and great day on the water.

Elphinstone is our only divesite where you have to pay long distance fees and need to have an advanced dive level with a certain number of logged dives (OWD and 100 logged dives or AOWD and 50 logged dives).

Our **half day boat** starts daily at 09.00 a.m. and at 01.30 a.m., also from Port Galip. The max. distance is 50 min and you will come back for lunch to your family.

For our guest who do not like to drive by boat we offer daily tours by bus- **shore dives**. These tours will take you to different dive sites where we enter from the **shore**.

What to bring for the check-in procedure:

- Diving certification
- Logbook
- 2 copies of your passport
- Medical statement (not older than 1 year)

Payment:

Creditcard: Master /Visa (will be charged in LE)
